## Iodic Acid, $\text{HIO}_{3(\text{aq})}$

50% w/w, Technical Grade

Product Code: 6000

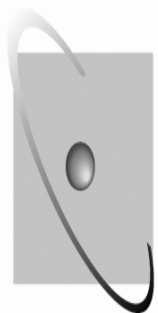

Custom grade specifications available

Iodic acid, IA, is a mildly oxidizing acid of iodine. Product uses include, but are not limited to, use as raw material in the manufacture of pharmaceutical production, oxidizing cleaners, and the manufacture of iodate products.

IodiTech's IA Technical grade is made from the highest quality raw materials, that come from the most reliable sources. This Technical Grade  $\text{HIO}_3$  is appropriate for use in production or laboratory settings.

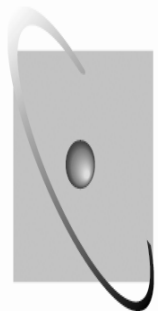

### Technical Identification and Description:

Chemical Name:	Iodic acid, $\text{HIO}_{3(\text{aq})}$
CAS:	7782-68-5
Characteristics:	Clear to pale yellow solution
Concentration:	49% - 51% w/w
